He appreciated the excellent work being done by the NPSC schools and categorically stated that there was no effort to interfere with the working of the private schools. Mr. Sisodia wanted the schools to reduce the curriculum to ease the burden. In a subsequent question answer session he was very appreciative of the suggestions by members as improving teacher training, having public School Principals on Managing Committees of private schools, the question of evening shifts, encouraging a sports culture and above all the importance of inculcating values in students. He spoke of the plans for opening of a sports university and a Teacher training University. The vote of thanks was proposed by Ms. Rekha Sharma who thanked the Minister for sharing his views and future plans.
